

COMMUNITY SPIRIT PROGRAM DONATION GRANT

Once again, ASC is happy to announce that we were able to receive a community spirit program donation grant and increased the amount to \$10,365.05. The funds are being used towards replacing shingles on two of the ASC-owned homes and the windows of a third. We extend a sincere thank you to all who make donations that contribute towards our ability to access this grant as well as the Alberta Government Department of Culture and Community Spirit.
