

## **SCOTIABANK, OLDS – RICK HANSEN QUALITY OF LIFE GRANT AND THE ALBERTA PARAPLEGIC FOUNDATION SCI SOLUTIONS GRANT**

Accredited Supports to the Community (ASC) is pleased to announce that they have been able to provide a specialized hydraulic tub for the people who live in the Didsbury home. The replacement of this tub was made possible through support from the Olds branch of Scotiabank to access a grant for \$7,056.21 from the Rick Hansen Quality of Life Grant. Using those funds, ASC was able to secure a further \$10,875.00 grant through the Alberta Paraplegic Foundation SCI Solutions Grant. ASC is extremely grateful for this support from Scotiabank, the Rick Hansen Quality of Life and Alberta Paraplegic Foundation SCI Solutions and would like to extend a sincere thank you.
