### **W. Brett Wilson – Prairie Merchant Corporation**

Accredited Supports to the Community would like to extend a sincere thank you to Mr. W. Brett Wilson of Prairie Merchant Corporation. His generous donation will be used to create an informal group setting in our Healthy Families Program.

The group brings families together to acquire parenting skills, to connect with the community and to make friends. This quote is from a family who attends the group: ***“Great way to bring together people with similar issues. Everyone is friendly, a safe place to have coffee and chat.”***
